

Biography

Arian Alai

About Me

My name is Arian Alai. I was born August 21 and raised in Omaha, NE. I am currently pursuing my Master's of Science in Statistics at University of Nebraska - Lincoln and expect to graduate in the Spring of 2026.

My Favorite Plot

This is an ugly plot I made. This is my favorite plot because it makes me laugh.

The Ugliest Penguin Plot

You can take a look at my CV here
